Civil Action No. 02-CV-3830 (LDD)

**ORDER OF DISMISSAL WITH PREJUDICE**

WHEREAS, on June 18, 2002, Plaintiff Boarhead Farm Agreement Group ("the Agreement Group") filed a Complaint (and thereafter filed amendments to the Complaint) against, *inter alia*, Defendant Thomas & Betts Corporation ("Settling Defendant") alleging that Settling Defendant was liable under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9613 ("CERCLA") and the Pennsylvania Hazardous Sites Cleanup Act, 35 Pa. Cons. Stat. § 6020.101 *et seq.* ("HSCA"), and seeking contribution and declaratory relief in connection with the Boarhead Farms Superfund Site (the "Site");

WHEREAS, the Agreement Group filed amended complaints on August 26, 2002, February 21, 2003, and September 19, 2003, and Plaintiffs Agere Systems, Inc., Cytec Industries, Inc., Ford Motor Company, SPS Technologies, LLC, and TI Group Automotive Systems LLC ("Plaintiffs") filed an amended complaint on August 1, 2005 substituting themselves for the

Agreement Group (the Complaint and the amended complaints are hereinafter collectively referred to as the "Amended Complaint");

WHEREAS, the Plaintiffs have entered into an agreement of settlement with Settling Defendant resolving all claims that were asserted by the Agreement Group in the Amended Complaint (the "Settlement Agreement");

NOW, THEREFORE, upon consideration of all filed papers and for good cause shown, it is hereby ORDERED and DECREED as follows:

1. All claims asserted by the Plaintiffs in the Amended Complaint against the Settling Defendant and all potential counterclaims by the Settling Defendant against the Plaintiffs arising out of the subject matter of the Amended Complaint shall be and hereby are dismissed and barred with prejudice, and the Settling Defendant is hereby dismissed as parties to this action.

2. This dismissal is without costs or attorneys' fees against the Plaintiffs or the Settling Defendant, each party to bear its own costs and fees.

3. All deemed and asserted cross-claims by the Non-Settling Defendants against the Settling Defendant and by the Settling Defendant against the Non-Settling Defendants arising out of the claims asserted in the Amended Complaint (including any claims or cross-claims otherwise assigned by the Settling Defendant to the Plaintiffs in the Settlement Agreement), shall be and hereby are dismissed and barred with prejudice.

4. The Court's Memorandum Order filed June 30, 2004 (Dkt. No. 96) will govern in determining the extent, if any, to which the Non-Settling Defendant's liability, if any, should be offset, in whole or in part, by the Settlement Agreement.

5. This Order of Dismissal with Prejudice does not bar or otherwise adjudicate the following potential claims or cross-claims relating to the Site that potentially may be asserted in the future by or against any party or other person, which potential claims were neither asserted in the Amended Complaint nor resolved in the Settlement Agreement:

A. Toxic tort claims (including, but not limited to, claims for injury to persons or offsite property, and related claims for medical monitoring, consequential damages, punitive damages and/or loss of value of property);

B. Claims at other sites arising from the direct or indirect shipment prior to 1990 of hazardous waste, hazardous substances or other materials from the Site; and

C. Claims for natural resource damages or assessments at or caused by the Site.

6. Pursuant to Rule 54(b) of the Federal Rules of Civil Procedure, the Court finding no just reason for delay, this Order of Dismissal with Prejudice shall be entered as a final judgment of the Court with respect to the Settling Defendant, and the dismissal of cross-claims with prejudice as provided hereinabove shall be deemed to be a final Order of the Court.

SO ORDERED:
